

Grade 3 - Life Skills  
Happy Mother's Day Card

English Home Language (Creative Arts)

**What you will need:**

- x1 A4 white paper
- Scissor
- Pencil for drawing
- Colour pencils
- Ruler
- Template available for printing (if possible)

**Method:**

**Step 1:**

Draw a rectangle in the middle of your white paper with your pencil. Use your ruler.

Width: 17 cm  
Height: 11 cm

**Step 4:**

Your final drawing should look like this.

**Step 2:**

Draw two half circles on each side of your rectangle along with flower petals. After drawing your petals draw an eye and half a smile on each half circle.

**Step 5:**

Colour in your picture as you like. Use your scissor to cut out your drawn picture. Make sure to cut along the lines.

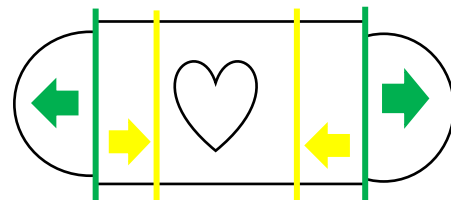

**Step 3:**

Draw a BIG heart in the middle of your rectangle along with some smaller hearts around the big heart. Write "HAPPY MOTHER'S DAY" in the middle of your big heart.

**Step 6:**

After cutting out your picture you need to fold it. Fold each flower backwards and fold the rectangle on each side. Fold green lines outwards and yellow lines inwards.

**Final Product Example:**

## Moedersdag Kaartjie

Afrikaans Huistaal – Kreatiewe Kunste

### Wat jy gaan nodig kry:

- x1 A4 wit papier
- Skêr
- Potlood
- Inkleur potlode
- Liniaal
- Templaat word verskaf om uit te druk (as moontlik)

### Metode:

#### Stap 1:

Teken 'n reghoek in die middel van jou wit papier met jou potlood. Gebruik jou liniaal.

Wydte: 17 cm  
Hoogte: 11 cm

#### Stap 4:

Jou finale tekening moet soos hierdie een lyk.

#### Stap 2:

Teken twee halwe sirkels aan elke kant van jou reghoek asook jou blom se blaartjies. Teken dan op albei halwe sirkels 'n gesiggie maar slegs een helfde van die gesiggie aan elke kant.

#### Stap 5:

Kleur jou prentjies in. Gebruik jou skêr om die prentjie uit te knip rondom die lyne.

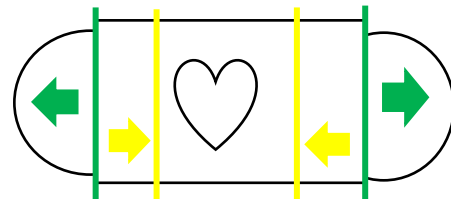

#### Stap 3:

Teken 'n GROOT hart in die middel van jou reghoek saam klomp kleiner hartjies rondom jou groot hart. Skryf in die middel van jou groot hart "GELUKKIGE MOEDERSDAG".

#### Stap 6:

Nadat jy jou prent uitgesny het moet jy hom vou. Vou elke blommetjie na agter en fou die reghoek aan elke kant. Vou die groen lyne uit en die geel lyne in.

## Mother's Day Gift

English Home Language (Creative Arts)

### What you will need:

- Shoelace / Fishing gut / Wool string (for the necklace cord)
- Toilet rolls (as many as needed)
- Scissor
- Colour pencils

### Optional Material:

- Paint
- Colour cardboard
- Egg carton
- Corrugated cardboard

### Method:

#### Step 1:

Start your project by cutting out a variety of shapes such as hearts, flowers, diamonds, circles, triangles, squares, rectangles or even strips from the toilet rolls.

#### Optional:

Cut shapes from cardboard, egg cartons or corrugated cardboard as well.

#### Step 3:

Make a hole in the middle of each shape. **(ask for help from a parent)**

#### Step 2:

Decorate and colour in your shapes with your colour pencils.

#### Optional:

Decorate your shapes by sticking different coloured cardboard onto them (cut out as the same shape) or paint your shapes.

#### Step 4:

Once you have all your shapes together begin stringing your necklace using your cord and shapes. Make a knot at the ends of the cord.

**Note: Only use cut out shapes. No need to use beads or caps.**

# Graad 3 - Lewensvaardigheid

## Moedersdag Kaartjie

Afrikaans Huistaal – Kreatiewe Kunste

### Wat jy gaan nodig kry:

- Skoenveter / Vislyn / Wol string
- Toilet rolle (soveel as nodig)
- Skêr
- Inkleur Potlode

### Optionele Materiaal:

- Verf
- Kleur karton
- Eier houer karton
- Boks

### Metode:

#### Stap 1:

Begin jou projek deur verskillende vorms soos harte, blomme, diamante, sirkels, reghoeke, vierkante, driehoeke of selfs lyntjies te sny vanuit jou toilet rolle.

#### Optioneel:

Sny vorms vanuit die bokse, eier houer karton of kleur karton.

#### Stap 3:

Maak gaatjies in die middel van elke vorm. (Vra 'n ouer vir hulp)

#### Stap 2:

Versier jou vorms met jou inkleur potlode

#### Optioneel:

Versier jou vorms met kleur karton (sny en plak dieselfde vorms bo-op mekaar) of verf hul.

#### Stap 4:

Wanneer jy al jou vorms bymekaar het en klaar het kan jy jou hangertjie begin ruig deur gebruik te maak van jou skoenveter/vislyn/wol string en vorms. Maak 'n knoop aan die punte van jou hangertjie.

**Nota: Maak slegs gebruik van vorms. Geen proppe of krale is nodig nie.**
