Homework

Read the story

Far out in the sea lives a fish, however he was the most beautiful fish in the entire ocean.

His scales shimmered with all the colours of the rainbow. The other fish admired his colourful scales and called Rainbow fish. "Come on, play with us, Rainbow Fish!" But Rainbow Fish was proud and swam past them. A little blue fish swam along behind him. "Rainbow Fish, wait for me? Please give me one of your glittering scales. They are so beautiful and you have got so many!"

"Give you one of my scales? What are you thinking of?" cried Rainbow Fish. "Get away from me!"

Shocked the little blue fish swam away. What use were Rainbow Fish's beautiful scales, if they were no longer admired by anyone? Now he was the loneliest fish in the entire ocean!

One day he poured out his sorrow to the starfish. "I am so beautiful.

Why doesn't anyone like me?"

"In a cave behind the coral reef lives the wise octopus. Perhaps he can help you," the starfish advised him.
